HORSE FRIGHTENED TURNS RUGGY OVER

Could Not Stand W. J. Bailey's Pea Hauler, and Climbs Up Steep Bank

The horse driven by Miss Fannie Agnes Salmon, of Isley and her friend Miss Sharp, of Knoxville, Tenn., became frightened at the buggy-Auto driven by W. J. Bailey yesterday near the top of the Earlington Hill.

In making a mad effort to escape the animal reared and fell on the steep bank beside the road, overturning the buggy and imprisoning the occupants under the buggy-top. Fortunately two young men saw the accident and quickly released the young ladies who were badly frightened, but not injured. The buggy was considerably damaged.

Madisonville Notes

W. C. T. U. Visits Almshouse

It is the custom of the W. C. T. U. to make at least an annual visit to the Almshouse. About thirty of the ladies of this body made a visit to that place Saturday, June 9, taking with them dainties and flowers; remembering that we live not by bread alone these good women endeavored to cheer and encourage the hearts of these unfortunates giving them personal sympathy and extending to the weak compassionate council reminding them of the Master, who alone fully understands their need, to these expressions of kindness they responded with tears of sorrow.

Although the visit of the ladies was unexpected they found only indications of neatness and order in the management a good condition of sanitation prevailing throughout. Mr. and Mrs. Howell have charge of the place at present. There are now only seventeen inmates a great decrease from the usual number, which good feature they attributed to the effect of the Local Option law which is showing good results in many ways. After luncheon, which was much appreciated by these poor people Rev. Cook conducted a service in a forceful encouraging manner.

God help us to be more thoughtful of the poor whom we have always with us, for we cannot know the life secrets and dark depths of despair, hidden perhaps behind a stolid exterior while their hearts are pulsating against giant walls of mistakes, sins and ignorance. In the same proportion as we do unto the least of these may we expect favor of Him for whose recognition we hope.

For Women Who Care

Of course you use an antiseptic in your family and in the care of your own person, and you want the best.

Instead of what you have been using such as liquid or tablet antiseptics or peroxide, won't you please try Paxtine, a concentrated antiseptic powder to be dissolved in water as needed.

Paxtine is more economical, more cleansing, more germicidal and more healing than anything you ever used.

Paxtine
ANTISEPTIC

In the toilet—to cleanse and whiten the teeth, remove tartar and prevent decay. To disinfect the mouth, destroy disease germs, and purify the breath. To keep artificial teeth and bridgework clean and odorless. To remove nicotine from the teeth and purify the breath after smoking. To eradicate perspiration odors by sponge bathing.

As a medicinal agent for local treatment of feminine ills where pelvic catarrh, inflammation and ulceration exist, nothing equals hot douches of Paxtine. For ten years the Lydia E. Pinkham Med. Co. has been regularly advising their patients to use it because of its extraordinary cleansing, healing and germicidal power. For this purpose alone Paxtine is worth its weight in gold. Also for nasal catarrh, sore throat, inflamed eyes, cuts and wounds. All druggists, 25 and 50 cents a box. Trial box and testimony of 31 women free on request. THE PAXTON TOILET CO., BOSTON, MASS.

Good Printing

Is the art of putting into another mind what is in your own.

IT IS A SUBTLE METHOD OF SUGGESTION

It is a means of making a favorable impression. To have the best results, it must be the best printing. That we are prepared to give you.

J. WALTER WILSON, IMPERSONATOR.

M. Hanna Sr., is on the sick list this week

The Hopkins County Medical Association has planned a big meeting to discuss subjects pertaining to Medical matters for July 4th at Dawson Springs, Ky. The Medical men of the surrounding counties have been invited, many of whom will present scientific papers. This will be the biggest meeting of the season.

Unable to Count Beyond Four.

A close observer has definitely established the fact that magpies and rooks cannot count further than four. A rook never returns to its nest until it is quite satisfied that there is no danger near. When four hunters or less departed in succession from a nearby log cabin, the rook would return to its nest after the last had gone out of sight. But whenever there were more the bird lost count and returned to its nest even while some were still in the hut.

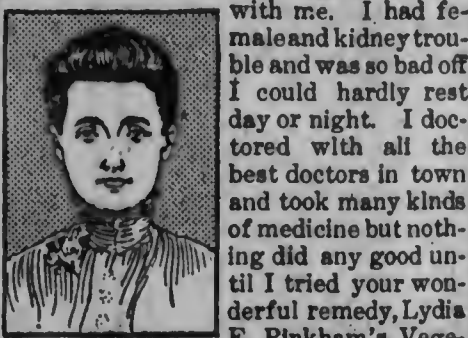

Searches for Buried Treasure.

A countess who lives near Rome is carrying on a search for buried treasure. She found in her library an old manuscript, wherein was told of a treasure buried in her land, and directions given for the excavations. A Spiritualist is said to have informed the countess that the words of the manuscript are true.

WIFE'S HEALTH RESTORED

Husband Declared Lydia E. Pinkham's Vegetable Compound Would Restore Her Health, And It Did.

Ashland, Ky. — "Four years ago I seemed to have everything the matter with me. I had female and kidney trouble and was so bad off I could hardly rest day or night. I doctored with all the best doctors in town and took many kinds of medicine but nothing did any good until I tried your wonderful remedy, Lydia E. Pinkham's Vegetable Compound. My husband said it would restore my health and it has."

Mrs. MAY WYATT, Ashland, Ky.

There are probably hundreds of thousands of women in the United States who have been benefited by this famous old remedy, which was produced from roots and herbs over thirty years ago by a woman to relieve woman's suffering.

Read What Another Woman says:

Camden, N. J. — "I had female trouble and a serious displacement and was tired and discouraged and unable to do my work. My doctors told me I never could be cured without an operation, but thanks to Lydia E. Pinkham's Vegetable Compound I am cured of that affliction and have recommended it to more than one of my friends with the best results."

—Mrs. ELIA JOHNSTON, 324 Vine St.

If you want special advice write to Lydia E. Pinkham Medicine Co. (confidential) Lynn, Mass. Your letter will be opened, read and answered by a woman and held in strict confidence.

Women!

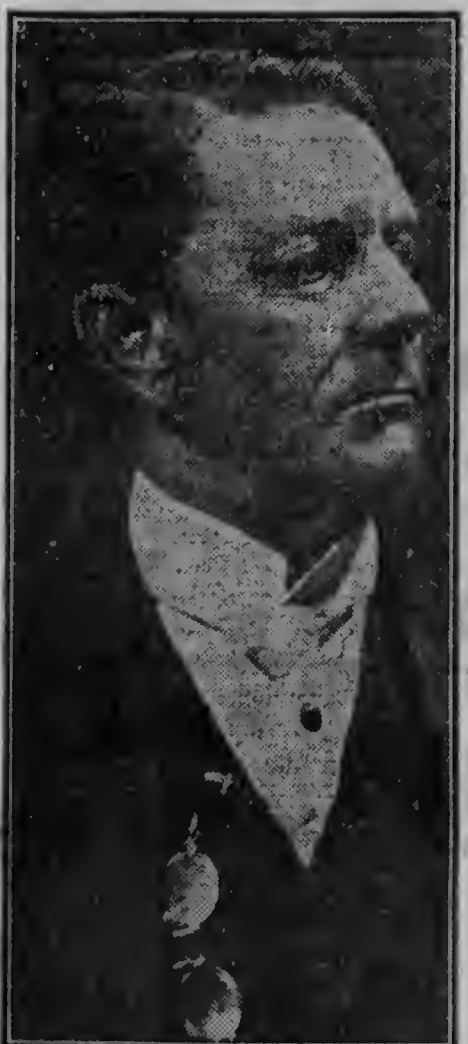

If weak, you need Cardui, the woman's tonic. Cardui is made from gentle herbs, acts in a natural manner, and has no bad results, as some of the strong drugs sometimes used. As a medicine—a tonic—for weak, tired, worn-out women, Cardui has been a popular success for over 50 years.

Take CARDUI

The Woman's Tonic

Mrs. Lula Walden, of Gramlin, S. C., followed this advice. Read her letter: "I was so weak, when I first began to take Cardui, that it tired me to walk just a little. Now, I can do all the general housework, for a family of 9." Try Cardui for your troubles. It may be the very remedy you need.

EX-GOVERNOR E. W. HOCH.

No Difficulty.

George W. Wilson was rehearsing with Edwin Booth at the Boston museum. Wilson, in one scene, asked the star where he should stand. "Where do you usually stand?" asked Booth. "Mr. Barrett had me over there," answered Wilson. "Yes," mused Barrett, "I usually have him there"—indicating the other side of the stage. "Sult yourself—I'll find you wherever you are," said Booth.

Never Satisfied.
The man who marries for money always thinks he is underpaid.

Very Serious

It is a very serious matter to ask for one medicine and have the wrong one given you. For this reason we urge you in buying to be careful to get the genuine—

THE FORD'S BLACK-DRAUGHT Liver Medicine

The reputation of this old, reliable medicine, for constipation, indigestion and liver trouble, is firmly established. It does not imitate other medicines. It is better than others, or it would not be the favorite liver powder, with a larger sale than all others combined.
